01 In The Evening

In the evening
When the day is done
I'm looking for a woman
Oh, but the girl don't come
So don't let her
Play you for a fool
She don't show no pity, baby
No, no, she don't make no rules

Oh, I need your love
I need your love
Oh, I need your love
I just got to have

So don't you let her
Oh, get under your skin
It's only bad luck and trouble
Oh, from the day that you begin
I hear you crying in the darkness
Oh, don't ask nobody's help

Oh ain't no, pockets full of mercy, baby
Cause you can only blame yourself

Oh, I need your love
Oh, oh, I need your love
Ooh yeah, I need your love
I got to have

Oh, it's simple
All the pain that you go through
You can turn away from fortune, fortune, fortune
Cause that's all that's left to you
Hey, it's lonely at the bottom
Man, it's dizzy at the top
But if you're standing in the middle, oh
Ain't no way you're gonna stop

Oh, baby
Oh, oh, I need your love
Oh, oh, I need your love
Oh, oh, I need your love
I've got to have

Ooh, whatever

Memory me
Erase me, hear that note
I won't do that
I saw a breast of a woman
I fail the witness
Fool, fool for hold me up
Help him, I'll show this song
Go get her boys, show her

One more she knock, oh
One more she knock
The door she knock, oh
Hey yup, I sit up

Oh Hell, who's vote Bush?
It's the ray-tronic war
I'm washing the bad bullshit
Can you push deliver before four?
Hear more when the bells clear
Asking for more sandwich
Help me help us, should have lost the vote, talking about
Hell show me, help me battle this song

How will we spin that? Woah
How will we spin that? Woah, woah
How will we spin that? Hey you
Earth, wake up!

For this, am wall
Oh should hear, for what?
Stop for this, stop for this, stop for, hear why I sing me
Will you dust that old pedal?
How do they wash it? Yeah
What should you do? Say yeah
Whoa, I'm gonna dance to kill
Oh I saw, we all work it

Help me walk
How will we spin that, forever? Whoa
How will we spin that, forever? Whoa
How will we spin that, forever? Whoa
Prayer, pick up

A man in a boat, oh

That your days may bring
No use hiding in a corner, oh, no
Cause that won't change a thing
If you're dancing in the doldrums

One day soon, it's got to stop, it's got to stop

When you're the master of the off-chance

When you, don't expect a lot, oh

Oh, I need your love
Oh, oh, I need your love
Ooh yeah, I need your love
I got to have, I got to have
Baby, I got to have your love
I got to have
Oh, babe, I've got to have your love, oh
Oh, oh, oh, oh, I've got to have your love
Just got to, I've just got
I've just got to, have your love
Oh, oh, oh…

Hear hymn, heals the soul
Oh what, Hell's gonna be our symbol
We'll see the smoke after
And we walk into the sceance trip

Words silence, I silence Who's Sybal?

It's not rock, I'm happy

Whoa, on to breakfast, it's the most, give it up

How will we spin that? Whoa
Oh, how will we spin that? Woah, woah
How will we spin that? Hey, you
Earth, wake up, earth, wake up
Oh, well, messed up your plot
Hell of nice plot
Whoa, whoa, I saw you
Who's to thank for, whoa, whoa, whoa
Buy super, I sin
Oh help me, we should buy super
Oh, oh, oh…

03 Fool In The Rain

Oh baby
Well there's a light in your eye that keeps shinin'
Like a star that can't wait for a night

I hate to think I been blinded baby
Why can't I see you tonight?

An' the warmth of your smile starts a burnin'

An' the thrill of your touch give me fright
And I'm shakin' so much, really yearnin'
Why don't you show up and make it alright-yeah?
It's alright-right

And if you promised you'd love so completely
An' you said you would always be true

You swore that you never would leave me baby
Whatever happened to you?
An' you thought it was only in movie
As you wish all your dreams would come true, hey

It ain't the first time believe me baby
I'm standin' here feelin' blue, blue-hah!
Hear my blue
Oh babe

Now I will stand in the rain on the corner

I watch the people go shufflin' downtown
A-nother ten minutes no longer
An' then I'm turnin' around 'round
An' the clock goes movin' slower
Oh my heart it sinks to the ground

An' the storm that I thought would blow over

Clouds the light of the love that I found, found
Light of the love that I found
Light of the love that I found
Oh that I found
Hey babe
Oooh hand in the clock

Hey you know what?

Has she I'll read It out Do say it will
Beyond you, you make it all so random

Hear me hymn, then how could I misten it up?
I'm re-solid-gold

Litter up That's how I see the womb

Help me word, help me believe them that
I am some will say guess somewhat

Ah is thee ... How will it end? For once, sold out
Here where I roast
You build, who stole this about Who reveals that?
Oh safe and walk, is in the singer

Hear me, near me, you will end this ghost
Hymn with my other rope
Hear hymn with the rope, walk in that
Yeah, we start when we hear and go somewhere there

Help me, help me believe Do I sound familiar?
Ah, blue, can he feed me an answer?
Blue found me
Give more

The knock on here, did they say why that?
Hymn while you waken them, for show me, the wop
And all you say, hymn make it end
Go hymn, go a hundred a day, baby
I will sin for this, my pumpkin
How did this mist, it all happen?

Brr, welcome to fraud, our laws sue me

Oh-oh I fell in love with madame without you
Oh I fell in love with madame
Oh I fell in love with madame
Oh I fell in love
Give hymn
I want for her, ooh

Well it don't seem to stop
When I'm thinking it over
Oooh tired of the light
I just don't seem to find
Gotta get away, gotta play
Whoa oooh, I see it in my dreams

But I just don't seem to believe it

I gotta get it all, gotta get it all, gotta get it all
I've got to get all …
Ooh now my body is starting to quiver
An' the palms of my hands gettin' wet oh

I got no reason to doubt you baby
It's all a terrible mess

An' I'll run in the rain 'til I'm breathless

When I'm breathless I'll run 'til I drop, hey!

An' the thoughts of a fool's count of careless
I'm just a fool waitin' on the wrong block ohh-yeah
Hey now. Ohhhhoh hohh
Light of the love that I found
Light of the love that I found
Light of the love that I
Light of the love that I found
Light of the hey now
Light of the hey now
Light of the love that I found
Light of the love that I found

That's for me's to know about him
Oh what an event
Here in my doom
Hear sweet notes, that's it
Hear why, hear why not?
Hear about this, oooh whoa
Make believe we hear it, hear the notes backward

All of it, all of it, all you gave me
All … you gave me
Help me hymn, and I see it all by my rule
Oh, help with this mayhem, we opened it
Hear me hymn, we start and we end with a doughnut
Hymn, no worse than a lawsuit

Don't throw those in the hymn, deliver that

Yeah, I fought with them, I slip in homonym

I ache, write smooth for this bourbon

Hey y'all-all, I only walk with you, for Satan
Oh-ohohhhh, I pray here
Oh I fell in love with madame
Oh I fell in love with madame
Fell in love with madame
Oh I fell in love with madame
There'll be hymn, for my love
There'll be hymn, for my Lord
Oh I fell in love with white-out
Oh I fell in love with madame

06 All My Love

Should I fall out of love, my fire in the light
To chase a feather in the wind

Within the glow that weaves a cloak of delight
There moves a thread that has no end

For many hours and days that pass ever soon
The tides have caused the flame to dim

At last the arm is straight, the hand to the loom

Is this to end or just begin?

All of my love, all of my love
Oh, all of my love, to you now
All of my love, all of my love
Oh, all of my love, to you now

The cup is raised, the toast is made yet again
One voice is clear above the din

Proud Arianne one word, my will to sustain
For me, the cloth once more to spin

Oh, all of my love, all of my love
Oh, all of my love, for you now
All of my love, all of my love, yes
All of my love, to you child

Yours is the cloth, mine is the hand that sews time
His is the force that lies within

Ours is the fire, all the warmth we can find
He is a feather, in the wind, yeah

Oh, all of my love, all of my love
Oh, all of my love, to you now
All of my love, ooh yes
All of my love to you now
All of my love, all of my love
All of my, love! Love!

Hear random, we rope them, in the wild parish
In my room, make her that for station
Here I'll wear the cloak to see, for the want in middle
They want dead, then there's this limit

Words service, then after the end, then they want you
Painted me up, this walk with doubt

Music, I have the urge to rock, I'll tell of it

A hint, it slushed your own makeup, suits him

Oh L'amore, oh L'amore
Can we score L'amore?
Oh L'amore, oh L'amore
Can we serve lamb for the Lord?

I beg you mum's this, won't play, here's a fuck
Raise the plug or raise the sump pump
Here's to schooling them, your home grown, my rat log
It's rose, don't fall for hymn morph

Oh L'amore, oh L'amore, oh
Can you store my poor wop?
Safe for L'amore, Oh L'amore
As she's her L'amore

He asked us, didn't letter say M? All for the jury
Play hymns, their hum is their offer to Z
And how speaking, for what? Her office is your act
Can you heal me? Her lamps foresee

Oh L'amore, oh L'amore, oh
Can release them? Oh L'amore
Sane, oh what, oh L'amore
Can we scream for L'amore
Oh L'amore, oh L'amore
Hold her hand, hold her hand, after all

Sometimes, sometimes, ooh [*2]

Hey-hey-hey-hey, hey-hey-hey, ooh-yeah
It's all all all, oh
All of my love, all of my love
All of my love, to you now
All of my love, all of my love

All of my love to, to you, you, doing, yeah

I get a little bit lonely
Just a little, just a little
Just a little bit lonely
Just a little bit lonely, hey-hey-hey, hey, hey, hey

For her, we analyse this, we analyse this

Hey you, ya-hey-hey, hey-hey-hey-hey
Oh, oh-oh, all of what, it
Oh L'amore, oh L'amore
Can wish, for L'amore
Oh L'amore, oh L'amore
End of we scream, we worship, wish for L'amore

The hell one, give a little mixed up
Oh I have sin, oh I have sin
I have wandered without sin

Yea, yea, yea, they will hardly believe us
